**5.5 Clubs in breach of procedure:** In the event a Club believes an opposition **team has more than the permitted number on the field of play and/or** a player has returned to the field early, the **Team Captain** must **ask the officiating field umpire to** call a team count to verify the number of players on the ground and the score at that particular time. The Umpire will record the result of the count on the Umpire's Match Report. Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:

- (a) The field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.

- (d) The matter will be referred to the League to investigate and ultimately determine the outcome as they see fit - note that the offending team **does not lose all points** scored in the Match up to the time of the count **on matchday, but will have any score achieved in that quarter up to the time of the count removed pending the result of the league investigation.**

## 6 Extra time in Finals

**6.1** There shall be no drawn matches in any finals. In the event of scores being level at the elapsed time, the timekeepers are instructed to sound the siren. Coaches are permitted to address players at the end of the game whilst the Goal Umpires confer. Players must be in position to recommence the game prior to the goal umpires returning to their position.

**6.2** On receiving confirmation that the scores are level, the match shall recommence with the teams kicking to the same end as in the final quarter and two five-minute periods with time on (as appropriate) shall be played with teams changing ends after the first five-minute period immediately the siren sounds. Coaches are not permitted to address players at any stage after the extra time period has commenced.

**6.3** In the event of scores being level after the two five-minute periods the timekeepers are instructed to sound the siren to allow the goal umpires the opportunity to confirm scores. When confirmed, play will resume from the centre ball up and continue until the next score, at which time the siren will sound as soon as the goal umpire signals the score and receives the all clear from the Field umpire. Clubs will not change ends in this instance.

## 7 Interchange/Order Off

In all AFL Barwon Senior Female matches any player receiving a yellow or red card may be replaced immediately. A player receiving a red card is to remain off the field for the remainder of the game. A player receiving a yellow card can return to the field after 15 minutes of playing time has elapsed.

**7.1** The maximum number of players a team can play with is 22 in Division 1, and 23 in all other Grades.

**7.2** For all AFL Barwon competitions, Clubs shall be required to field a minimum of 14 players to commence the game. Failure to do so will result in their side forfeiting the match. 22 players must be named in Division 1 Senior female competitions to comply with AFL Victoria PPSP.

**7.3** If any irregularities are noted on the Interchange sheet, the Commission shall have the power to determine a fine and to deal with the match as they deem appropriate.

**7.4** It is the responsibility of the timekeepers to ensure that players ordered from the ground under a yellow card, remain off for fifteen minutes of actual playing time and those ordered from the ground under a red card remain off for the remainder of the game. All Clubs must have installed red and green lights for the purpose of acknowledgment of the umpires' carding decisions and the notification to the Clubs when the player (yellow card only) is eligible to return the playing field. The timekeepers must therefore:

- (a) identify the umpire's signal (a yellow or red card), which indicates a player has been ordered off;
- (b) acknowledge the umpire's decision by flashing the red light on and off or other signal by holding aloft the appropriate card;
- (c) record the relevant amount of actual playing time from the moment the player crosses the interchange area in the space provided on the timecards (failure to record the implementation of the rule on the timecards will result in a \$30 penalty); and
- (d) Signal the conclusion of the fifteen-minute penalty by signaling through the use of the green light. The interchange steward will continue to record the change as has been the case. The onus remains with the clubs to ensure that the procedure operates effectively.

NB: In the event of more than one player being off at any given time, the onus is on the Club to confer with the interchange steward/timekeepers to determine which player is eligible to come on.

- (e) any player ordered off under a red card is not permitted to take any further part in the game

**7.5** Clubs in breach of procedure: In the event a Club believes an opposition player has returned to the field early or the opposition is fielding more players than permitted, that Club's team Captain must call a team count to verify the number of players on the ground and the score at that particular time. The Umpire will record the result of the count on the Umpire's Match Report. Where a Team has more than the permitted number of players on the Playing Surface, the following shall apply:

- (a) a field umpire shall award a Free Kick to the captain or acting captain of the opposing team, which shall be taken at the Centre Circle or where play was stopped, whichever is the greater penalty against the offending team.
- (b) a Fifty (50) Metre Penalty shall then be imposed from the position where the Free Kick was awarded; and
- (c) The Goal Umpires shall write the current scores as at the time of the Head Count on their Score Card
- (d) the matter will be referred to the League to investigate and ultimately determine the outcome as they see fit - note that the offending team does not lose all points scored in the Match up to the time of the count on matchday.

## 8 Interchange Steward

**8.1** The Home Club is responsible for the appointment of an interchange steward for each game.

**8.2** The responsibilities of the interchange steward are outlined in AFL Laws of the Game Rule 7. The Interchange Steward will record the jumper numbers of players who commence on the interchange bench at the commencement of each quarter. It is the responsibility of team managers from both competing Clubs to notify the appointed Interchange Steward of the jumper numbers of these players at the commencement of the game and then at the end of each quarter break. The interchange steward must also record details (time and jumper number) of players who have been ordered from the ground (yellow or red card), and those either stretchered off or sent off due to the blood rule, both when they leave the ground and when they return, **Penalty \$100 (offending Club)**

**10.2** Only the team captain of the day shall be permitted to speak to the Field Umpire at the intervals during the progress of the match (other than if requesting the umpire for a count of players on the playing surface). Any breach of the rule shall be reported by the Umpire and be referred to the League Independent Tribunal and if found guilty shall incur the following maximum penalty:

- For the purposes of defining a kick, a kick shall be an intentional action, not accidental. - Where a Player who does not have possession stops the football being touched by an Opposition Player by Shepherding the ball across the Boundary Line where the ball could have otherwise been touched by the player being blocked, then the umpire will not award a free kick but will instead order a ball-up 15 metres in from the boundary.

Every player must be a registered member of their club and approved by that club committee. All players must be registered with AFL Barwon Junior Football before playing.

All initial registrations must be accompanied by suitable proof of age documents. A copy of such documentation must be retained by the club and provided to AFL Barwon Junior Football if requested prior to the player participating in another game.

Fine: Any player who plays without being registered for the 2023 (current) season will be fined \$100 per player and the team will receive loss of match points and percentage. Match points will only be lost if that competition plays for match points (Grading matches included).

## 2 Age Groups

A player must be 7 years of age by April 30th of the current season (AFL VICTORIA COUNTRY Ruling).

To be eligible for an age group, a player must be born on or after 1st January of the listed year on the table below.

Age Group	Year of Birth
Minimum	Born on or before 30/04/2016

## 3 Overage Permits

Requests for Overage Permits will only be considered for any Underage Competitions according to the AFL National Age Dispensation Policy as deemed appropriate by the AFL Barwon Permits Panel.

**Fine: Any team found to have played an overage player without approval in writing by AFL Barwon will lose any match points and percentage and will be liable for a fine as deemed suitable by the AFL Barwon Commission. Match points will only be lost if that competition plays for match points (Grading matches included).**

## 4 Coaches

All coaches of AFL Vic Country clubs are required to obtain or update Foundation Level Accreditation on Coach.AFL prior to the commencement of the season. All coaches must be able to be selected on the electronic version of the team sheet and cannot be 'written on'.

Coaches are to be seated in the Coaches' Box or if standing, stand directly in front of the Coaches' Box behind the marked white line positioned between the coach's box and the boundary line. Only team

managers, trainers, water carriers and runners are allowed inside the playing arena. It is the responsibility of the club to ensure that all spectators are behind the boundary fence. All coaches are to have read the 'Junior Coaches' Code of Conduct' at the back of this handbook prior to the season commencing.

**Fine: Any coach who coaches without being registered for the 2023 (current) season will be fined \$100 per match and the team will receive loss of match points and percentage for the matches won by the team whilst the unaccredited coach continues to coach. Match points will only be lost if that competition plays for match points (Grading matches included).**

## 5 Umpires

Every attempt will be made to provide Appointed AFL Barwon Field Umpire/s for Under 14, 16 & 18 male and Under 14, 16 & 19 female games. The home club is to notify the league where appointed AFL Barwon umpire/s have not attended for Under 14, 16, 18 Male & 14, Under 14, 16 & 19 Female games.

Where clubs are required to provide umpires, please note the following:

- Ensure that two escorts are provided for the umpires (one from each competing club) at half and full time. The club runners are to perform this important function as they are clearly identified, and they must escort the umpires to their rooms unless instructed otherwise by the umpires.
- Where the club is the home club, offer umpires cool drinks between each quarter;
- Remain in the centre of the ground with the umpires during quarter time and three-quarter time breaks;
- All club Field and Goal Umpires must be a senior and mature person and be wearing appropriate attire. (i.e. AFL Barwon Junior Football umpire's top and White Goal Umpires Coat). Both the home and away teams must each supply 1 Field Umpire.
- In the event there is only 1 appointed AFL Barwon Field Umpire the home club is expected to supply a second Club field umpire.

Umpires will be instructed to check players, runners and trainers in all grades to ensure that they are not wearing rings or jewellery that could be regarded as a danger to other participants. Plaster casts and injury protection type equipment will have to pass the umpire's inspection before being passed for use. Clubs should seek approval from AFL Barwon prior to this and present this proof to the field umpire prior to the game commencing, the field umpire will have final authority keeping in mind of player safety in all instances.

Ensure that all people within the playing area are authorized to be there. These must be included on the team sheet. It will be within the authority of any official of the AFL Barwon Football Umpires Department to order anyone off the ground who is not clearly identified. This includes players, trainers, runners, water carriers and medical staff.

Umpires have been instructed that no game is to commence without a stretcher provided in or near the coach's box.

Separate change rooms and shower facilities for the umpires are preferable.

## 6 Number of Players

There is a maximum of 23 players allowed to be on the team sheet for Under 12, 14 & 16 male and Under 14, 16 & 19 female games. The maximum of 23 players allowed to be on the team sheet does not differ for finals.

There is no maximum number of players for Under 9's, 10's, and Under 10 & 12's female. AFL Barwon does strongly suggest that clubs have a due diligence to the children in ensuring they are all given similar playing time.

The minimum number of players allowable is fourteen (14) to constitute a game in Under 12, 14 & 16 male and Under 14, 16 & 19 female age groups. If a team has less than 14 players in these age groups, then that team shall forfeit the game. Game points will be awarded to the opposition team. Under agreement from both coaches, it is acceptable that the teams stage a 'no-play for points' game.

All competitive female junior age groups (U14, U16 & U19) are deemed to be a 16 per side competition with a maximum of 23 players and a minimum of 14 players. If either side has less than 16, both teams must comply with the loaning of players as stated below. If both sides have 20 or more players on the day, then both teams will play with 18 players on the field.

In Under 9's, 10's, and Under 10 & 12's female the minimum number of players allowable to constitute a game is 12. However, under an agreement from both coaches, it is acceptable that the teams stage a "game with no scores".

Where a team has the minimum number of players to start a match but not a full team (excluding bench), the team with the numerical advantage must either "loan" players to the opposition or play with an equal number of players on the field unless:

- A loan is offered but after evening up numbers there are still excess players in which case the team with the numerical advantage can play with one extra player; or
- The team with the numerical advantage only has one extra player than the opposition in which case the team with the numerical advantage can play with that extra player; or
- The team with minimum numbers refuses to accept "loan" players in which case the team with the numerical advantage can play at full strength.
- Team Managers and Umpires are required to sign off on player numbers on the competition match report prior to the match commencing
- Loaned players must appear on the team sheet of the team for which they are playing. A matchday permit should be approved to allow them to be selected on the Play HQ team sheet.
- Loaning of players is not permitted in any finals game.

## 7 Order Off Rule

A player ordered from the ground shall not be replaced in all age groups.

Depending on the severity of the offence, the field umpire can order a player off for the following:

1. 15 minutes and not be reported. (Yellow card)
2. 15 minutes and be reported. (Yellow card)
3. **Reported.** (Red card) Ordered off the ground for the remainder of the match. This player may be replaced after 20 minutes.

(i) Any player who is ordered off three times during the season will receive an automatic suspension of one game in home and away or finals matches. A player who is ordered off for a fourth time during the current season will face the AFL Barwon Tribunal whose decision will be binding.

(ii) A current player report pad is to be placed in the umpire's room at the beginning of the day and left there for the duration of the day's games (OfficilashQ reporting process to be considered in all these sections)

(iii) If a report is made, a copy of the report must be scanned/photo taken and emailed or sent via SMS through by the home club to the AFL Barwon Head of Operations (e - michael@ aflbarwon.com.au m - 0438 416 774), no later than 6.00pm on the day of that match. Required Information includes: Reported player, Offended player (if applicable), Reporting umpire, alleged offence, if a tribunal is required. The original copy of the Notice of Report must be included in the match day paperwork envelope, regardless of whether a set sanction has been accepted or not.

Note the following variation to AFL Vic Country Rule 12.2

If after the game the reporting umpire doesn't indicate on the player report sheet that the offence warrants a tribunal hearing, the offending player can choose to accept the prescribed penalty by signing the player report sheet in the space provided. He can also delay this decision until noon the first working day following the incident at the latest.

The AFL Barwon Operations Manager, reporting umpire, the offending player and the offended player's club secretary all have until noon the first working day following the incident to confirm that they wish the matter to be heard by a tribunal. If one party initially chooses the set sanction, they can change their decision within the time frame.

Once one of the above parties indicates the matter should be heard at tribunal, the set sanction will not be an option. If there is no official indication within the designated timeframe that a tribunal is required, the relevant set sanction will be applied.

Notification must be made to the Tribunal Secretary or nominated representative. Clubs wishing to change venue and/or starting times shall forward their request to the AFL Barwon Head of Operations (e - michael@ aflbarwon.com.au m - 0438 416 774) by the Monday prior to the fixtured game following agreement established with the opposition team. During the grading period, clubs have 24 hours from the release time of the fixture to request a change of venue and/or starting times for that round.

AFL Barwon will communicate with AFL Barwon Umpiring Department and confirm the outcome with the club that forwarded the request. Venues and start times of four game fixtures cannot be altered.

## 8 Grounds and Fixture Requests

Clubs can submit fixture requests for the season at the time of team entry, we'll endeavour to achieve these where possible.

- Ground unavailability/weather affected
- Significant player unavailability
- Communication already made and agreed to by opposition Junior Coordinator
- Availability of appointed AFL Barwon Umpires cannot be guaranteed.

A free kick shall be awarded against a player who:

- Kicks or Handballs the football over the Boundary Line without the football being touched by another Player;
- For the purposes of defining a kick, a kick shall be an intentional action, not accidental. When the ball comes off the foot or lower leg of a player without the intent of the player being to kick the ball, it will be deemed accidental contact and will not be determined as a kick by the umpire and therefore will result in a ball-up 15 metres in from the boundary.
- Where a Player who does not have possession stops the football being touched by an Opposition Player by Shepherding the ball across the Boundary Line where the ball could have otherwise been touched by the player being blocked, then the umpire will not award a free kick but will instead order a ball-up 15 metres in from the boundary.

In junior home and away from time to time and junior finals matches, AFL Barwon boundary umpires may be supplied, however, the season practice will remain in place.

## 24 Advantage

Advantage is to be called in all Under 14, 16 & 18 male and Under 14, 16 & 19 female games. Where the field Umpire intends to or has signaled that they intend to award a Free Kick to a Player, the field Umpire may, instead of awarding the Free Kick, allow play to continue if a Player of the Team who receives the Free Kick elects to take the advantage.

Advantage is not to be paid in Under 9, 10, 12 Male/Mixed & Female Football Competitions.

# 1 Conditions of Registration

## 1.1. Player Eligibility Criteria

AFL Barwon has developed two levels of Player Eligibility for AFL Barwon All Abilities Competition. The two levels of Player Eligibility will be designated ELIGIBLE (E) and ALLOWED (A), based on the requirements for participation at the National Inclusion Carnival.

These changes do not affect the minimum requirements for participation within the League, as the existing criteria is still in place. Furthermore, the opportunity exists for Players to seek an EXEMPTION (X). These changes will allow AFL Barwon to have a better understanding of the nature of the participants involved, streamline data collection and classification more broadly, and ensure that a safe, welcoming, and inclusive environment for all suitable participants is provided.

- a) A Player will be deemed as ELIGIBLE (E), for the purposes of participation in AFL Barwon All Abilities if:
  - i. the participant meets the Sport Inclusion Australia (SIA, formerly AUSRAPID) classification, or can provide evidence of this classification in the past.
  - All new Players are encouraged to seek SIA classification upon registration.
- b) A Player will be classified as ALLOWED (A) for the purposes of participation in the AFL Barwon All Abilities Football Competition, if:
  - ii. the participant is declined for a SIA classification, and upon reviewing the evidence provided, AFL Barwon determines the Player meets two (2) of the existing AFL Barwon All Abilities Football Competition Player eligibility requirements:
    - Attendance at a Specialist School.
    - Attendance at a Mainstream School with funded Educational Support under the category of Intellectual Disability in the Program for Students with Disabilities (PSD) or similar.
    - Proof of Disability Support Pension or NDIS registration under the category of Intellectual Disability.
    - Registration with a Disability Service Provider under the category of Intellectual Disability.
- c) A Club may seek an EXEMPTION (X) for a Player where a participant does not meet the above eligibility requirements but believes AFL Barwon All Abilities Football Competition provides the most appropriate opportunity for them to participate in a suitable football program.

AFL Barwon may request that the Player provide additional information, or be observed in participation, to determine if the Player is to be granted an AFL Barwon All Abilities Football Competition Player Exemption to participate. This exemption may only be granted because of:

- Disability and/or impairments restricting participation in other community football programs.

Please Note: the AFL Barwon All Abilities Football Competition Player Exemption may be revoked if AFL Barwon believes the Player's ability and/or behaviour is not appropriate to participate within AFL Barwon All Abilities Football Competition. For more information on submitting an AFL Barwon Player Exemption Form, please contact the AFL Barwon Management to discuss.

All Clubs will be provided with a list of any Players who do not meet the requirements but are granted an EXEMPTION (X) to play by AFL Barwon.

\*Players over 40 years of age are required annually to submit a letter from their doctor (Medical Clearance) stating that they are fit to play in the AFL Barwon All Abilities Football Competitions. Players over the age of 40 years are INELIGIBLE TO PLAY in the AFL Barwon All Abilities Competitions until such time as their annual Medical Clearance has been submitted to the AFL Barwon.

## **1.2. Player Bound by Rules, Regulations and Policies of the Club, the League and AFL Victoria**

By registering to a Club within AFL Barwon, the Player:

- a) Agrees that they will comply with and observe the AFL National Member Protection Policy, the Rules, Regulations and Policies of the Club, the League and AFL Victoria as they are presently constituted and as amended from time to time.
- b) Acknowledges that they may, with advanced notice, inspect copies of the Rules, Regulations and Policies of the Club, the League or AFL Victoria during normal business hours at the respective offices of those organisations.
- c) Acknowledges that their failure to adhere to the Rules, Regulations and Policies of either the Club, the League or AFL Victoria may result in them being de-registered and/or the imposition of other sanctions.
- d) Acknowledges that they may, upon request of the Club, League or AFL Victoria, be required to provide proof of age or disability, within 5 working days of the request.

## **1.3. Assumption of Risk**

By registering to a Club within AFL Barwon, the Player acknowledges and agrees that:

- a) Australian Football is a vigorous body contact sport in which physical injury may occur from time to time.
- b) They are none-the-less desirous of playing Australian Football for the Club.
- c) They take upon themselves the risk (both physical and legal) of injury arising while training or participating in the game of Australian Football.

## **2 Fixturing**

AFL Barwon shall be responsible for the determination of the fixturing of Matches. "Clubs desiring to conduct All Abilities league matches on a day or time other than that published by the league in the official fixture may do so providing the following requirements have been satisfied that;

- a) both participating clubs agree with the details of the proposed alteration;
- b) 14 days' notice in writing requesting approval from the League that the fixture be altered is forwarded to the League office from each club"

## **3 Football Requirements**

It is the responsibility of the host Club to provide one appropriately sized, game ball, new or in good condition - AFL Barwon-approved branded Size 5 synthetic Football.

## **4. Number of Players Needed to Start Match**

The minimum number of players required to commence the game is 12 players. If a team has less than 12 players in these age groups, then that team shall forfeit the game. Game points will be awarded to the opposition team. Under agreement from both coaches, it is acceptable that the teams stage a 'no-play for points' game.

A reduced ground will be utilised if there are 14 or less players per side. The field size would reduce to  $\frac{3}{4}$  of the playing surface (suggested 120m Length x 80m Width).

If both teams have 15 or more players, the full ground will be utilised. A maximum of 18 players per side can be on the field at any one time.

Regardless of how many Players each Team has available on Match Day, Teams are required to play with equal numbers, irrespective of Players' skills or ability (e.g., 13 v 13, 16 v 16). Coaches should meet prior to the start of the game to discuss their Player numbers and agree on the number of Players to take the field. Player numbers may be increased if mutually agreed, should additional Players become available.

Where a team has the minimum number of players to start a match but not a full team (excluding bench), a "loan" of players from the team with the numerical advantage may be facilitated. Teams must play with an equal number of players on the field.

Where a team has the minimum number of players to start a match but not a full team (excluding bench), the team with the numerical advantage must either "loan" players to the opposition or play with an equal number of players on the field unless:

- A loan is offered but after evening up numbers there are still excess players in which case the team with the numerical advantage can play with one extra player; or
- The team with the numerical advantage only has one extra player than the opposition in which case the team with the numerical advantage can play with that extra player; or
- The team with minimum numbers refuses to accept "loan" players in which case the team with the numerical advantage can play at full strength.
- Team Managers and Umpires are required to sign off on player numbers on the competition match report prior to the match commencing

There are no restrictions to how many Players can be on the bench.

If there are INJURIES to Players where there is no replacement possible to maintain even numbers, the number of Players on the opposition Team shall be reduced accordingly. Where a player leaves the ground for assessment by First Aid personnel, the opposing team shall not be required to reduce their playing numbers until the decision is made that the injured player cannot continue in the match. Players permanently ruled out of the match because of injury shall not then resume playing in the match. It is incumbent on the Coach of the team with permanently reduced numbers because of injury, to inform the Coach of the opposing team, as soon as practicable, of the situation, and the current numbers available. Failure to do so shall not create precedence for an appeal against the result, nor incur a penalty for the team with greater numbers on the field.

See also Special Rule 5 ix. and Rule 14. Injuries.

## 5 Length of Games

All Matches within AFL Barwon All Abilities Football Competition will be played with NO TIME ON.

- A Match will consist of four (4), 15-minute quarters

### Intervals

- $\frac{1}{4}$  time = 5 minutes
- $\frac{1}{2}$  time = 10 minutes
- $\frac{3}{4}$  time = 5 minutes

TIME OFF will only be implemented should the stretcher or Ambulance be called on the field. In the case of possible severe injury, at the Umpire's discretion, the Umpire may halt play and call for TIME OFF to be implemented, after 5 minutes prior to injury assessment being made by an accredited First Aid provider

## 6 Special Rules

### i. Centre Ball Ups

A Player may not take full possession of the ball at a ball up. The ball must go to another Player or touch the ground before the Player winning the knockout can take possession of the ball.

### ii. Field Ball Ups

As with the centre ball ups, a Player may not take full possession of the ball at a ball up. The ball must go to another Player or touch the ground before the Player winning the knockout can take possession of the ball.

### iii. Out of Bounds

Should the ball go out of bounds, the Umpire will award a free kick against the Team who had last possession of the ball (Kick or Handball) immediately before it crossed the boundary line. The free kick shall be taken at the point where the ball crossed the boundary line. If the Umpire is unable to determine which Team had possession of the ball last, the Umpire will bring the ball in Fifteen (15) metres in from the boundary line and throw the ball up. For the last touch by hand, the Umpire will bring the ball in Five (5) metres in from the boundary line and throw the ball up.

### iv. Marking

A mark is to be paid to a Player who marks the ball from a kick, provided that the kick has travelled at least Fifteen (15) metres and has not been touched in transit.

### v. Bouncing the Ball

A Player in possession may bounce the ball a maximum of Two (2) times and then must make a genuine attempt to dispose either by hand or by foot. For the purposes of this law, a Player shall be deemed to be in possession of the football during the period when the Player handballs the football to themselves and regains possession without the football touching the ground or another Player. Similarly, for the purposes of this law, a Player shall be deemed to be in possession of the football during the period when the Player completes a solo (the Gaelic skill where the Player kicks the ball to themselves).

### vi. 25 Metre Penalty

In all Conferences, a 25-metre penalty may be applied in addition to a free kick, at the Umpire's discretion.

### vii. Mercy Rule (Spirit of the Game)

This means that, at any time in the match, should a Team reach a lead equal to or greater than the set margin (30 Points), the Mercy Rule is activated. In practice, this means that, when the set Mercy Rule margin has been reached, if the Team leading the Match scores a point, the trailing Team will take the kick out from the defensive edge (back) of the centre square. If the Team leading the Match scores a goal, the trailing Team will take possession of the ball in the offensive edge (front) of the centre square, not requiring a ball up to restart play.

Note: If the trailing Team brings the margin back under the set margin, the Mercy Rule is deactivated, and rules will revert to normal.

Note: Where a Coach does not take reasonable steps to minimise winning margins more than the Mercy Rule, the offending Club may be subject to sanctions for "bringing the game into disrepute."

## Starting Positions

When the Mercy Rule comes into effect during a game, the Team leading the Match shall have not more than one third of their Players inside their defensive 50-meter arc, not more than one third of their Players inside or adjacent to the centre square, and not more than one third of their Players in their forward 50-meter arc. (See diagram 2, right). At least one Player from each Team shall be positioned within both Goal Squares. The Team trailing in the Match shall not have any restrictions on their Starting Positions.

For the removal of doubt, see the table below:

<b>Number of Players on the Field.</b>	<b>Number of Players from leading Team permitted in the defensive 50-meter arc, with at least one Player positioned within the defensive Goal Square.</b>	<b>Number of Players from leading Team permitted inside or adjacent to the centre square.</b>	<b>Number of Players from leading Team permitted in the forward 50-meter arc, with at least one Player positioned within the forward Goal Square.</b>

- a) the Field Umpire may, in their absolute discretion, declare the Match forfeited by the Team with less than the minimum number of Players, in which case Law 11.2 (Forfeiture of Match) shall apply; or

Plaster casts and injury protection type equipment will have to pass the umpire's inspection before being passed for use.
